### NOTICE OF INTENT TO SUE

Attention Legal Department

I recently received a very high number of calls to my wireless phone number 682-560-1675 from your company that originated from phone number 877-237-0512. This is a number which is known to be used by your company for debt collection activities. The calls were received between November 29, 2013 and January 21, 2014 and number **over 100**. I have had this phone number for an extended period of time and the calls were not made for an emergency purpose.

When you called you failed to identify yourself as a debt collector as required under the Fair Debt Collection Practices Act (FDCPA) 15 U.S.C. § 1692. The calls were placed using ATDS equipment as there was no party on the line on the numerous occasions that I answered the calls.

I do not have any debts owed to you and there was no legal or legitimate basis for you to be calling my wireless phone. You did not have my express consent, written or otherwise, to call my wireless phone and your actions were in violation of the Telephone Consumer Protection Act, 47 U.S.C. § 227 and the Fair Debt collection Practices Act 15 U.S.C. § 1692.

I am writing you to ascertain whether we can reach an amicable settlement regarding these violations of my rights as well as federal and state law without resorting to litigation to enforce my rights under the law.

The private right of action allowed under 47 U.S.C. § 227(b)(3)(B)(C) is for statutory damages of \$500 to \$1500 per call and damages under the FDCPA, 15 U.S.C. § 1692d up to \$1000.

You may contact me at [mack2001@swbell.net](mailto:mack2001@swbell.net) to discuss this and make arrangements to settle the matter at this time. I need to have a response from you within 10 days of your receipt of this letter to avoid having me move forward with litigation to resolve the matter. I look forward to hearing from you so that we may amicably settle this issue as soon as is practically possible.

Yours Truly,

  
David E. Mack
